

Summer Closures – 2014 –

May 22, 2014

Summer is on its way, and some papers choose this time for a summer shut down to accommodate vacations and general maintenance.

In order to assist you in planning your advertising campaigns the SWNA is providing our Summer Closures list for you.

Any paper that does not appear in the list is publishing as normal. However, please be aware that ‘changes’ in closures and deadlines may be subject to change.
